Climbing and Sliding Numbers

Welcome to Number Land, where numbers grow and shrink with every step!
Ria the Racer is on a journey across five magical zones — from the Fields of Ten to the Mountains of Hundred Thousand.
Help Ria solve number puzzles to reach the finish line and claim the Golden Medal of Math Mastery!

Questions

1. Ria starts her race at 23,450.
If she moves 10 steps forward, what is her new number?

a) 23,460

b) 23,550

c) 24,450

d) None of the above

2. On the Cloud Bridge, Ria sees a puzzle cloud:
If 21,345 is increased by 10,000, the result is:

a) 31,345

b) 41,345

c) 22,345

d) None of the above

3. In the Fields of Ten, Ria sees a sign: **"Take away 100 from 6,542."**
Fill in the blanks:

- **New number =** _____

4. Ria arrives at the Bridge of Thousands, where there are matchstick puzzles. Complete the table after increasing by **1,000:**

Starting Number	New Number
78,901	a)
15,670	b)
42,310	c)

Pencil Maths

5. In the Valley of Hundreds, a magic bird tells Ria:

a) 8,934 + 100 = 9,034 **(True/False)**

b) 7,000 – 100 = 7,100 **(True/False)**

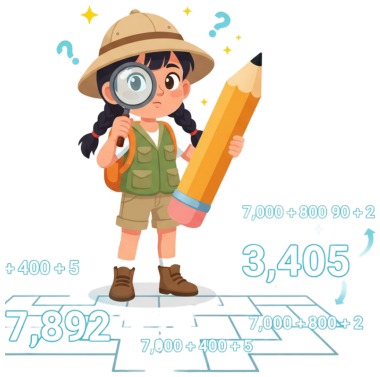

6. Ria enters the Forest of Ten Thousands. The tree spirits challenge her:

Find the number that i**s 10,000** less than **65,432.**

Write the answer: _____

7. In the Maze of Mirrored Numbers, Ria sees numbers and expanded forms mixed up! Help her find the result:

Number	Resulting Number
264,000 + 10,000	**a)**
512,000 – 100,000	**b)**
38,500 + 1000	**c)**

8. Near the Lake of Hundred Thousands, a whispering wind asks:

Starting from 349,580,

• What number do you get if you add **100,000?** _____

• What number if you subtract **100,000?** _____

9. Before reaching the Golden Finish Line, a final puzzle appears:

a) 159,000 – 10,000 = 149,000 **(True/False)**

b) 98,400 + 100 = 99,400 **(True/False)**

Pencil Maths

10. Ria faces the final challenge:

There are 286,400 seeds in the Great Garden.

If a magical rainstorm multiplies the number by adding **100,000** more seeds, how many seeds are there now?

Write the final answer: _____

Thanks to your clever thinking, Ria the Racer crosses the finish line and wins the
Golden Medal of Math Mastery!
Congratulations, Number Champion!

Congratulations, Number Champion!
